PROJECTS & LEADERSHIP EXPERIENCE

Website Redesign, Information Architecture, Florida State University

December 2018

- Constructed a mainframe as a proposal for a new redesign of the Tallahassee Democrat website.
- Utilized AB Testing to develop a user-friendly website for a predetermined client type.

Company Outreach Group: Tampa, Leadership, Florida State University

December 2018

- Lead a group of 6 members that varied in skills and experience.
- Developed a plan of initiative to reach out to companies and organizations located in the Tampa Bay area in order to have them attend FSU career fairs and present career opportunities to our students.
- Achieved a 6% response rate from companies and organizations contacted and brought new names to future University career fairs and events.

Search Engine Analysis, Research and Data Analytics, Florida State University

January 2018

- Created and conducted a survey of FSU students to gather information on their current internet browser.
- Designed charts and presentations to show the groups gathered information and further suggest ways they could improve their current knowledge of Big Data.
- Utilized different surveying techniques in order to get a broader variety of students for answering the survey.

CAMPUS INVOLVEMENT & VOLUNTEERING

Askew Student Life Center, Florida State University
Building Manager

August 2018 – Present

- Assisting students and organizations within the Florida State University campus by helping setup meeting rooms, technical equipment, and leisure activities. The center focuses on providing an enjoyable environment for students of all ages to relax as well as host professional meetings and events.
- Ensured everyone utilizing the building was safe and following procedures when on the premise.
- Managed events happening in main lobby as well as meeting rooms.

Global Peace Exchange, Florida State University
Active Member

January 2018 – Present

- Participating in and organizing non-profit and student-run operations that aim towards assisting others in countries of need through established partnerships.
- Constructed a theme for the RSO website.
